## 2021학년도 7월 고3 전국연합학력평가 영어 영역 듣기 평가 대본

1. 다음을 듣고, 남자가 하는 말의 목적으로 가장 적절한 것을 고르시오.

M: Hello, students. This is the president of the student council, Jason Miller, with an announcement about our school garden. The school garden is very special to us because we ourselves maintain and enjoy it. So, we're recruiting students who can do volunteer work for our school garden. Volunteering is done twice a week, mainly by watering plants and removing weeds. If you're interested, please stop by the student council room by next Friday. We're looking for at least ten students to volunteer to maintain our school garden. Please participate in this wonderful opportunity to contribute to our school.

2. 대화를 듣고, 여자의 의견으로 가장 적절한 것을 고르시오.

W: Justin, you look tired. What happened?

M: I made a plan to run five miles a day. I went running this morning, so I'm exhausted.

W: Isn't that too much to run in one day?

M: It's challenging, but I believe the harder I work out, the better result I'll get.

W: Not always. What's important is to plan your exercise routine to match your physical fitness level.

M: Why is that?

W: Exercising beyond your fitness level could cause injury, or even sickness.

M: That makes sense. How can I know my fitness level?

W: Well, you could measure how long it takes for you to run one mile and compare it to a fitness scale on the Internet.

M: Oh, that sounds simple.

W: I'm sure that planning your exercise routine based on your physical fitness level will definitely be beneficial.

M: I agree. Thanks for your advice.

3. 대화를 듣고, 두 사람의 관계를 가장 잘 나타낸 것을 고르시오.

W: Michael, look! They're almost sold out! Everybody who ordered, thank you so much!

M: Wow! Thank you Lisa, for the great explanations and comments on my potatoes!

W: The calls for orders flooded in when we showed how to cook them.

M: Right, I wanted to show the viewers all the delicious ways to enjoy my potatoes.

W: Also, our viewers loved hearing from you since you actually grew the product.

M: I'm just happy to appear on your home-shopping channel. I put so much devotion into this harvest. I'm so proud of these premium organic potatoes.

W: You should be! Everyone at home, you don't want to miss this. Great potatoes at a great price.

M: I guarantee these are the best potatoes you'll ever eat.

W: There aren't many left in stock! So order right now, and get a free recipe book.

M: I know you'll enjoy the potatoes. Please leave a lot of good reviews!

4. 대화를 듣고, 그림에서 대화의 내용과 일치하지 않는 것을 고르시오.

W: Honey, look. I changed this room into a workout space while you were on a business trip, like we talked about before.

M: Wow, it's fantastic! We can work out at home now.

W: Right. Did you notice the two exercise balls under the clock? I bought them for us.

M: Great. I heard exercise balls are good for stretching. I see a pair of shoes on the shelf.

W: Yeah. It's important to wear shoes to prevent injury when exercising indoors.

M: Good point. And you put a fan in the corner.

W: It'll help us cool down after exercising hard.

M: Okay. What's the laptop on the table for?

W: We can play exercise videos and follow along. And check out the star-patterned exercise mat on the floor. Doesn't it look nice?

M: It sure does. Thank you for doing all this while I was away.

5. 대화를 듣고, 남자가 여자를 위해 할 일로 가장 적절한 것을 고르시오.

W: Bob, I got a call from the company I applied to last week. I'm one of the final candidates for the assistant manager position.

M: Great! What do you have to do next?

W: I have to do a presentation based on a set of questions.

M: It'd be helpful to record a video of yourself to practice.

W: Okay, I'll try it. I'm going to write a script first, and then make the presentation slides.

M: You should add appropriate images to the slides to show your message clearly.

W: Yes. But it takes quite long to search for such images.

M: Definitely. You must be very busy.

W: Yeah. Actually, I still need to mail in one more portfolio for another company, but I don't have time to go to the post office.

M: Oh, let me do it for you.

W: Really? Then I'll bring it to you. Thank you so much.

M: It's my pleasure.

6. 대화를 듣고, 여자가 지불할 금액을 고르시오.

M: Welcome to the Jurassic Adventure Fair. How can I help you?

W: I'd like to buy tickets for the event. How much are they?

M: It's 15 dollars for adults and ten dollars for children under ten.

W: Then one ticket for me and one for my son, please. He's eight years old.

M: Okay. Would you like to rent a VR headset to enjoy the fair even more?

W: A VR headset? What can I do with that?

M: You can see the dinosaurs move and hear them roar in virtual reality while you walk around the fair.

W: Wow, my son would love that. How much is the rental fee?

M: It's seven dollars for one headset, but if you rent two or more, it's five dollars each.

W: That's great. I'll rent two VR headsets.

M: You won't regret it. How would you like to pay?

W: I'll pay in cash.

7. 대화를 듣고, 남자가 연구 주제를 변경한 이유를 고르시오.

W: Hey, how's the science research going? I like your idea about dream recording technology.

M: Well, I changed my topic, so I'm pretty busy preparing new research.

W: Really? Aren't you interested in that field anymore?

M: I am. I still want to become a neuroscientist.

W: Then why did you change it? Did your professor ask you to?

M: No. Actually, she said it could be an interesting topic because many people are curious about this new technology.

W: It is very new, so I was wondering how you would find related data.

M: That's the problem. The topic was so new that it was hard to find relevant data. So, I decided to do research on brain scanning technology instead.

W: Oh, I see. What are you going to do for that?

M: I'm thinking of applying for research funding.

W: I hope you'll get it. Good luck.

8. 대화를 듣고, Mobile Throwing Championship에 관해 언급되지 않은 것을 고르시오.

M: Rachael, there'll be a competition called the Mobile Throwing Championship next month. Why don't we join it?

W: Mobile Throwing Championship? I've never heard of it.

M: It's been around quite long. It was first held in 2000 in Finland, and is now held around the world.

W: What's the purpose of holding the contest?

M: It's to give people a chance to feel free from their mobile phones even for a moment.

W: Oh, I see. Sometimes I just want to throw my phone away, too! So, do I have to bring a phone to participate in the contest?

M: No. The organizers will provide one to each participant. If you win, you get a fancy new phone as a prize.

W: Really? What are the judging criteria?

M: Participants are judged for the distance and technique of their throw.

W: Sounds fun! Let's sign up for the competition.

M: Okay, I'll do it now online.

9. 다음 표를 보면서 대화를 듣고, 두 사람이 주문할 휴대용 사진 인화기를 고르시오.

M: Honey, what are you doing on your computer?

W: I'm looking for a portable photo printer. If we buy one, we can easily print pictures that are on our phones.

M: Great idea. Let's order one together.

W: Sure. These five models look good, but I don't want to spend more than 200 dollars.

M: Me, neither. And I think the ones that use plug-in power would be inconvenient. What do you think?

W: I agree. I'd like one with a built-in battery.

M: Great. Do you think we need a Bluetooth connection?

W: Yeah. With that function, we can print pictures directly from our phones without cables.

M: You're right. Then we have these two options left.

W: Hmm... they both look good, so the one that comes with more free photo paper is better.

M: I think so, too. Let's order this one then.

W: How did you like the film I recommended?

M: I really enjoyed it! The story was so refreshing. I've never seen anything like it before.

W: It's an independent film, so it was possible for the director to try new and creative things.

M: Yeah. And he created remarkable scenes using impressive color and sound effects.

W: I agree. What did you think of the characters?

M: They were really different compared to what we see in popular movies.

W: Yes. The director is famous for creating unique characters. And the film received enthusiastic reviews from movie critics.

M: I can see why! People should be more interested in his films.

M: Yes, it's so fun. Do you want to join me?

W: Not right now. I have to prepare for the math exam. Did you finish studying?

M: Not yet. I'm taking a break now after two hours of studying. I play games during study breaks to relax.

W: Playing games to relax? That's not a good idea.

M: How come? It's important to rest in between studying sessions.

W: That's true. But while playing games, your brain cannot rest enough. I read that in an article.

M: Really? I thought I'd be able to get refreshed when playing games.

W: Actually, your brain is still working while you're playing.

M: Maybe that's why I couldn't focus after I came back from my breaks.

W: Exactly. Playing games may not have allowed you to rest fully.

W: Hello, students. Last time, we learned about various natural substances used by our ancestors in medicine. Today, we'll discuss some natural ingredients that have been used for skincare purposes throughout history. First, coconut oil has been loved as a moisturizer for a very long time in India. It has a high moisture retaining capacity, so it acts as an excellent moisturizer for our skin. Secondly, rose water has been in use for thousands of years and is still easily found in the market today. It's thought to have originated in Iran, and is known to prevent the aging of the skin. Next, pearl powder has long been used in China to brighten skin. It helps to remove dead skin naturally and promotes restoration of the skin. Finally, in Greece, people have used yogurt as a facial mask for centuries. Greeks even used yogurt on their skin to calm burns from the sun. Now, I'll show you a video about how these natural ingredients are used.
